

EXETER CORN EXCHANGE BRINGING THE FUN TO YOU!

This production of 'Aladdin' is supported by a range of 60 minute **workshops** which are suitable for Key Stages 2, 3, 4 and 5.

1) "It's Behind You"- Telling a Tale

In this workshop students have the chance to discover how story is built. Students will learn ways to bring a character to life and to create dynamic characterisations.

This workshop can be pitched for KS and 3.

2) "Oh No It Isn't"- A Guide to Slapstick Fun

This practical workshop introduces students to physical comedy. In a safe environment, students explore slapstick, comedy combat and a little bit of mess. Students will need to wear an overall, or clothing which might get some "custard pie" splash. A personal towel is also a good idea.

This workshop is best suited to KS 3 and 4.

"HUGE FUN FROM START TO FINISH"

(WESTERN MORNING NEWS- 2011)

3) "Sing-along!"- The Panto Tradition

This workshop gives students an opportunity to understand generic traits of pantomime, and the links from origins in Commedia dell' Arte.

This workshop is best suited to KS 4 and 5.

Kickline Theatre's Education Department is able to adapt material to fit your requirements. Working with up to 30 students in your own school or college, each workshop will be led by two visiting artists: a CRB-checked professional teacher and a member of the 'Aladdin' company (subject to the performance schedule).

A comprehensive education pack can also be provided.
